"Teaching music is not my main purpose. I want to make good citizens. If children hear fine music from the day of their birth and learn to play it, they develop sensitivity, discipline and endurance. They get a beautiful heart."

~ Dr. Shinichi Suzuki

"Setting a child aside until elementary school and then saying that now education begins is like taking a withered sprout and suddenly giving it large amounts of fertilizer, putting it in the sunlight and flooding it with water. It is too late for the withered sprout."
